Quality work sprouts from quality relationships. Respect, integrity, and honesty are the cornerstones to a mutually beneficial business relationship and therefore, we prioritize treating one another with these values in all our interactions. While we hold legal documents in high regard, the glue that keeps us together is the commitment to quality work and quality relationships.

Acceptances

Client agrees to assist Contractor in providing all that is required to complete Services within the time designated and in the format requested by the Contractor.

Contractor has the skillset and experience to complete all Services listed above and will complete the work within the timeframe identified. Contractor will work earnestly to the best of his/her ability to render Services in a timely manner and with a standard of excellence.

Warranty

Except as set forth within this contract, all deliverables are to be presented "as-is."
